Bus Route and Operating Procedures

Bus transportation is a privilege extended only to students who display good conduct while preparing to ride, riding or leaving the bus. Continued disorderly conduct or persistent refusal to submit to the authority of the driver shall be sufficient reason for a student to be denied transportation.

Video cameras are used on our school bus to monitor student behavior while traveling to and from school and school activities. Students found to be in violation of the district's bus conduct rules shall be subject to discipline in accordance with district policy and regulations.

Bus routes and stops are planned by the school district and approved by the California Highway Patrol.

Safe, Respectful & Responsible on the Bus

- Orderly behavior is required at the bus stop.
- Remain seated, facing front, when the bus is in motion.
- Talk quietly and make no unnecessary noise.
- Do not talk to the driver unless it is necessary.
- Keep heads, arms and feet inside the bus.
- Do not litter the inside of the bus or throw anything out the window.
- Any time a child rides the bus and gets off at a stop other than their home address, the guardian is required to inform the office prior to boarding **and at least one hour before school is dismissed.**

Infractions of the rules may result in the denial of transportation privileges.
