October 19, 2020      **Compact for Return to Hybrid In-Person Instruction**

We are so excited to welcome our students and families back on campus! We take the health and well-being of our students, staff, and families very seriously. We commit to partnering with you to do all we can to ensure a safe and productive year for our students.

Please read the commitments below and sign showing your agreement to partner with us during this challenging time. We appreciate our families and believe that together WE CAN DO THIS!

uWe commit to screen our student(s) for symptoms of COVID-19 every morning before sending them to school. (A screening paper will be sent in the student packet.)

- \* We commit to encouraging our student(s) to continue to login to complete the assignments each day when not on campus and being part of the daily class meeting.
- \* If we need to report to the school office, we commit to wearing a mask, participating in the health screening and social distancing.
- \* We commit to my student(s) wearing a school approved, clean, face covering.
- \* I understand that if my students(s) fails to wear an approved face covering, even after being given one, they will not be allowed to attend class and will be sent home. Three repeated refusals to comply with the mask requirements will result in my student having to attend online distance learning 100% of the time.
- \* We commit to encouraging my student(s) to practice physical distancing and hand-washing/sanitizing while at school.
- \* If our student(s) ride the bus, we commit to ensuring they follow all health and safety protocols while awaiting and riding the bus or their privilege will be suspended.
- \* We commit to having someone available to retrieve my student(s) immediately if they are ill.
